

DELBERT HOSEMANN  
*Secretary of State*

Dear Mississippi Voter,

The majority of Mississippi voters cast a ballot in favor of a constitutional photo identification requirement. As Secretary of State and Chief Elections Officer for the State of Mississippi, the Mississippi Legislature tasked our Agency with implementing Voter ID.

*In our last election, 99.97% of you came to your precincts with an acceptable form of photo ID.* Any registered voter who lacks an acceptable photo ID is eligible to receive a FREE Mississippi Voter ID Card, and we are committed to ensuring those individuals have one.

The Secretary of State's Office has also worked with multiple state agencies to facilitate the voter ID requirement. Our Office works closely with the Mississippi Department of Transportation to provide FREE transportation to any individual who needs assistance obtaining a Mississippi Voter ID Card. We work with the Mississippi Department of Health, Office of Vital Records to provide a FREE verification of birth record if an individual has no other means to verify their identity to receive a FREE Mississippi Voter ID Card. The Mississippi Department of Public Safety has also provided invaluable input in facilitating this requirement.

Voting is the key to our democracy. We are committed to ensuring everyone who is qualified to vote has the opportunity to cast a ballot. We will continue to work with you to implement the constitutional photo identification requirement and appreciate your help in the process.

Sincerely,
